Take a day out of the office to explore opportunities and trends that could add BIG value to your business

[Retail Council of Canada's](#) Retail Secure Conference is Canada's leading security conference designed by retailers, for retailers. 2019's top trends, including active violence situations/crisis management, retail LP leadership, LP technology and automation, cyber security, artificial intelligence, corporate investigations with social media, enterprise risk management, analytics technology will be front and centre. The industry's thought leaders will share best practices and improvement strategies for retail operating standards, ensuring that businesses maximize their profitability. This event also brings a full complement of exhibitors who provide ideas and expertise on products and services geared toward preventing retail losses.

Retail Secure shares: innovative ideas, real-life case studies and trends, providing tools and resources specific to the Western Canadian retail market.
